ABOUT THE ARTIST

C-Bone Jones is an award-winning spoken word poet, lyricist, and filmmaker whose work is rooted in faith, reflection, and unapologetic truth. Known for his commanding voice and emotionally resonant delivery, C-Bone bridges the sacred and the street, transforming scripture, personal testimony, and social commentary into powerful poetic declarations.

With a background steeped in urban culture and spiritual conviction, C-Bone's work speaks directly to those navigating struggle, searching for healing, and holding on to hope. His debut spoken word album, *Revelation 21:5*, is a bold artistic statement inspired by the verse: "Behold, I am making everything new." The project blends scripture-infused wisdom with contemporary beats and soul-stirring production from Benji Frank\$, TonyEQ, and P.O.E.

Whether performing live, recording in the studio, or mentoring the next generation through his movement #SpitAVerseChangeALife, C-Bone Jones is more than a poet — he is a vessel for truth, purpose, and transformation.

ABOUT THE ALBUM

Revelation 21:5 is a powerful, introspective spoken word album that journeys through faith, resilience, and redemption. Rooted in scripture and urban storytelling, C-Bone Jones speaks from the soul — weaving messages of hope, healing, and divine promise. Inspired by the biblical verse "Behold, I am making everything new", the project explores transformation in the midst of struggle.

From the humbling intro "God Got You" to the triumphant closer "I Believe," the album paints a vivid portrait of a man leaning on his Creator while navigating a chaotic world. With production from Benji Frank\$, TonyEQ, and P.O.E., the sonic landscape complements each poetic moment — rich with emotion, truth, and spiritual conviction.

WHETHER IT'S A VULNERABLE PLEA, A TRIUMPHANT DECLARATION, OR A SERMON OF ENCOURAGEMENT, *REVELATION 21:5* DELIVERS A TIMELY MESSAGE: **CHANGE IS POSSIBLE — AND IT BEGINS WITH THE WORD.**
